Media Experience

- Photography, five years experience taking and editing photos. I was accepted to photography college in Ireland but chose media instead. A sample of my portfolio is kept here: www.pix.ie/astrobotty
- Video, during the three year course we scripted, shot and edited a lot of footage and our final year project involved a film which was directed, shot and edited ourselves. I have experience using Final Cut Pro as well as Pro Tools
- Radio, Radio editing and broadcasting was a large part of our course. We had to write pieces which we then had to record and edit into a package. I had a particular interest in speaking on air and felt very suited to it
